Stewardship Commitment

Stewardship is spiritual before it is financial. Stewardship is an expression of worship to God, surrendering our resources and talents back to Him who gave them to us in the first place.

Stewardship is not an end - it is a means to an end. People are inspired to give to ministry and people, where the goal is transformed of hearts and lives. We can focus together on all that we can accomplish in Christ's name.

Stewardship is about funding mission and ministry. By forming good stewards, we are creating more disciples who will follow the Gospel call to share Christ with the world.

A Christian Group from Bethlehem in the Holy Land is visiting our church on Saturday and Sunday November 16 & 17 at both masses in church basement. They come to us to sell the olive wood carving and crafts that are hand made by the Christians in the Holy Land. This is their main source of income.

We need to support these people by buying their beautiful olive wood carvings and crafts so we can help Christian families stay in the Holy Land.

Pray for the Christians in the Holy Land and support them so we all can do our part to keep our Christian bells ringing in the Holy Land.
