Holy Mass to resume with safety measures

The Archdiocese and local governments have started to ease the restrictions placed on movement and public gatherings. The churches of Strawberry Hill, including St. John the Baptist, will offer Holy Mass with safety guidelines for COVID-19.

There will be a limit on the number of people in the church.

To protect the safety of everyone, please do not attend Mass if you are sick, have health conditions or just do not feel comfortable. Archbishop Naumann has dispensed the faithful of the Archdiocese of Kansas City from the obligation to attend Mass.

Thank you for following these guidelines:

1. Parish secretaries will be contacting parishioners. Please do not just show up.
2. Mask and gloves **will be required** to enter the church.
3. Enter from the handicap entrance.
4. Sign in with your name and phone number.
5. Offering envelopes will be placed in a stationary basket.
6. Your seats will be assigned.

Stay safe and healthy.
